The 1978 Football season was a big suprize to everyone. Head Coach Mike Danilek said, "I had no doubts about going to the play-offs this year".

The high point of the season came in the second game, when the Demons shut out fifth ranked St. Marys. Greenway put sixteen points on the board. This was only the second shut out St. Marys had suffered in their history.

# Injuries Stagger Demons

The 1978 Greenway Varsity Football team was floundered with injuries. "Anything that could have happened this year did," said head coach Mike Danilek. The injuries that took place on the varsity this year varied between broken and twisted ankles, to stitches. Despite the injured starters, Greenway managed to put together a hard hitting offensive and defensive squad.

The Demon training staff did an excellent job of taping ankles, wrists, and fingers. The trainers, Kelly Gibbs and Glenn Nixon worked in the training room every day taping before practice, and then cutting all the tape off after practice.

# JV Team Displays Promise

Although the Junior Varsity's season was not the best, resord wise, the players themselves showed a lot of promise. Coached by Mr. Burgess and Mr. Roberson the team won three and lost six. Several of the team's last games were lost by close scores. However dispite that fact the team improved each week and the players should be able to help out next year when the varsity takes the field.

The Greenway High Varsity Basketball Team had a very successful season this year. One of the goals they had set was to establish a winning tradition at all levels. The second goal was to make it to the playoffs. The team successfully achieved both goals. The overall season record was 17-7.

On the way to the championship the Demons defeated Peoria, Cortez and Thunderbird. John Bentley and Aaron Sheppard made the All Tournament team.

Head coach Pete Babcock stated, "This year's team worked hard to meet our Pre-season goals and we accomplished each goals we set. We had a talented group of seniors and juniors which gave us good depth and enabled most of our players to contribute to the success we enjoyed."

Along with the talent displayed, honor awards were given to four Demon players. John Bentley made first team All Division and first team All League; Aaron Sheppard made second team all Division, first team All League; Glenn Shough and Jim Dixon made Honorable Mention.

# Girls Record Statistics

The recording of stats for varsity, junior varsity, and freshman basketball is the job of Greenway's Demoticians. Sponcered by Mr. Mueller, the eighteen girls go to all of Greenway's basketball games, home or away, and keep track of Greenway players. Their presence at the games this year provided support and spirit for the players on all three levels.

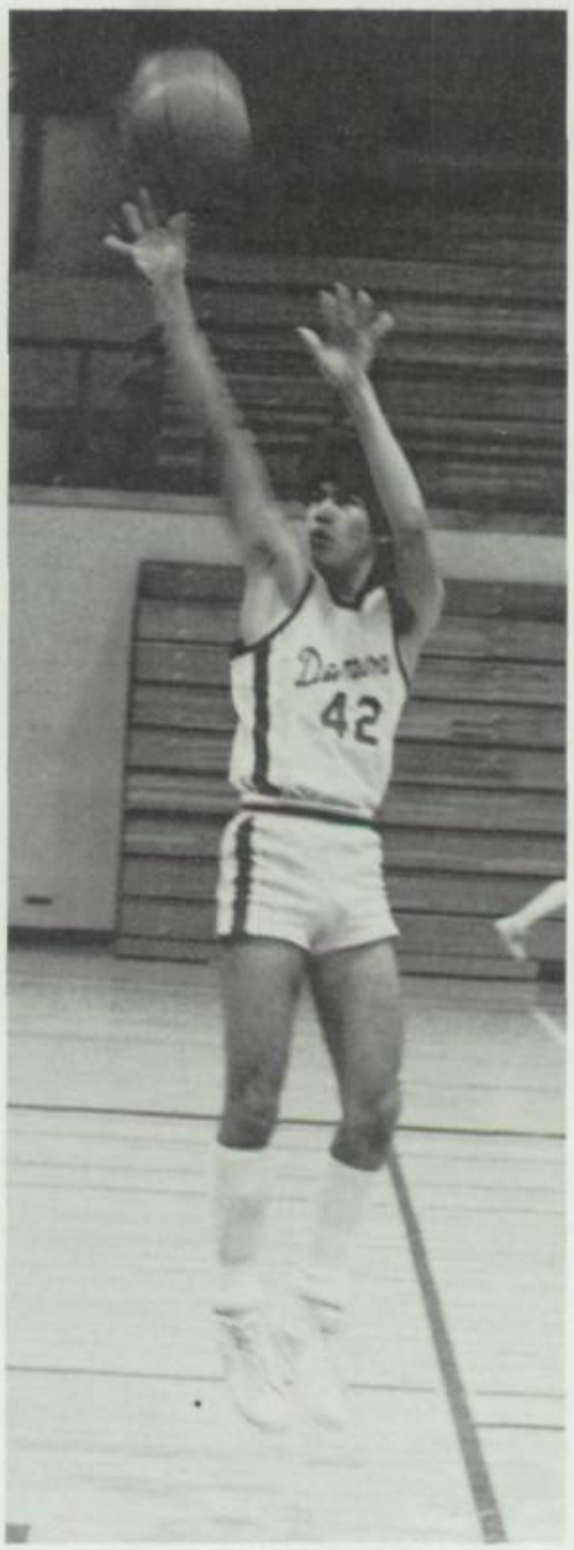
During a pre-game warm-up, Frank Gallego takes an easy jump-shot.



Using skill and maneuverability, Francisco Soto shoots for two.

The Frosh basketball teams played outstanding games this year, according to Coaches Mueller and Marlowe.

After their third game, the Frosh Green team had a six game winning streak which was broken by a tough Apollo team.

Coach Marlowe said "The players will have important roles in Greenway's basketball future".

Both teams had a very good season, winning most of the games that they played. The few that were not won - by some strange twist of fate - were only lost by a few points.

Both Coaches agree: "The boys worked hard and had very good attitudes which helped us towards a very successful season".

Francisco Soto evades his teammates.

The 1978-79 Junior Varsity Softball team was coached by Miss Bonnie Brinkman. The team consisted of eleven freshman, four sophomores, and one junior.

The team's most valuable players were Kerri Kellas, Kelly White, and Stephanie Smith.

Miss Brinkman stated, "I enjoyed working with the J.V. team. They were spirited and willing to learn."

The team practiced Monday through Friday for two and a half hours a night and some Saturdays.

# Varsity Softball Superior

"The 1978-79 Demon Varsity Softball team has been a team of growth and continuing maturity," said head coach Ed Mc Quade. The team consisted of one starting senior, four juniors, and four sophomores.

"Besides youth, other outstanding qualities of the team were leadership, togetherness, and spirit. This year's success has been a product of hard work and dedication," stated Coach Mc Quade.

"A special thanks to Mr. Dave Smith and Miss Bonnie Brinkman for their help and dedication. Their outstanding help has been a real aid in achieving the team's goals," Mc Quade adds.

Freshman Tammy Jackson awaits her chance to prove her batting skills.

Anisa Ali throws the ball to the infield.

# Tennis Teams Spirited

Mrs. Goble coached the Girls Varsity Tennis Team this year, and she helped the girls a lot during the season. Each team member worked to improve her game, challenging others through out the season. Many of the Juniors and Sophomores are planning to return next year. All of the girls were very competitive, and the sportsmanship of the team was excellent.

The Boys Varsity Tennis Team worked very hard this year. They struggled through many strenuous workouts which left them sweating and gasping for breath. They also managed to endure the tremendous psychological trauma that is involved with playing tennis. Coached by Bill Collins, the team was high in self-confidence and spirit.

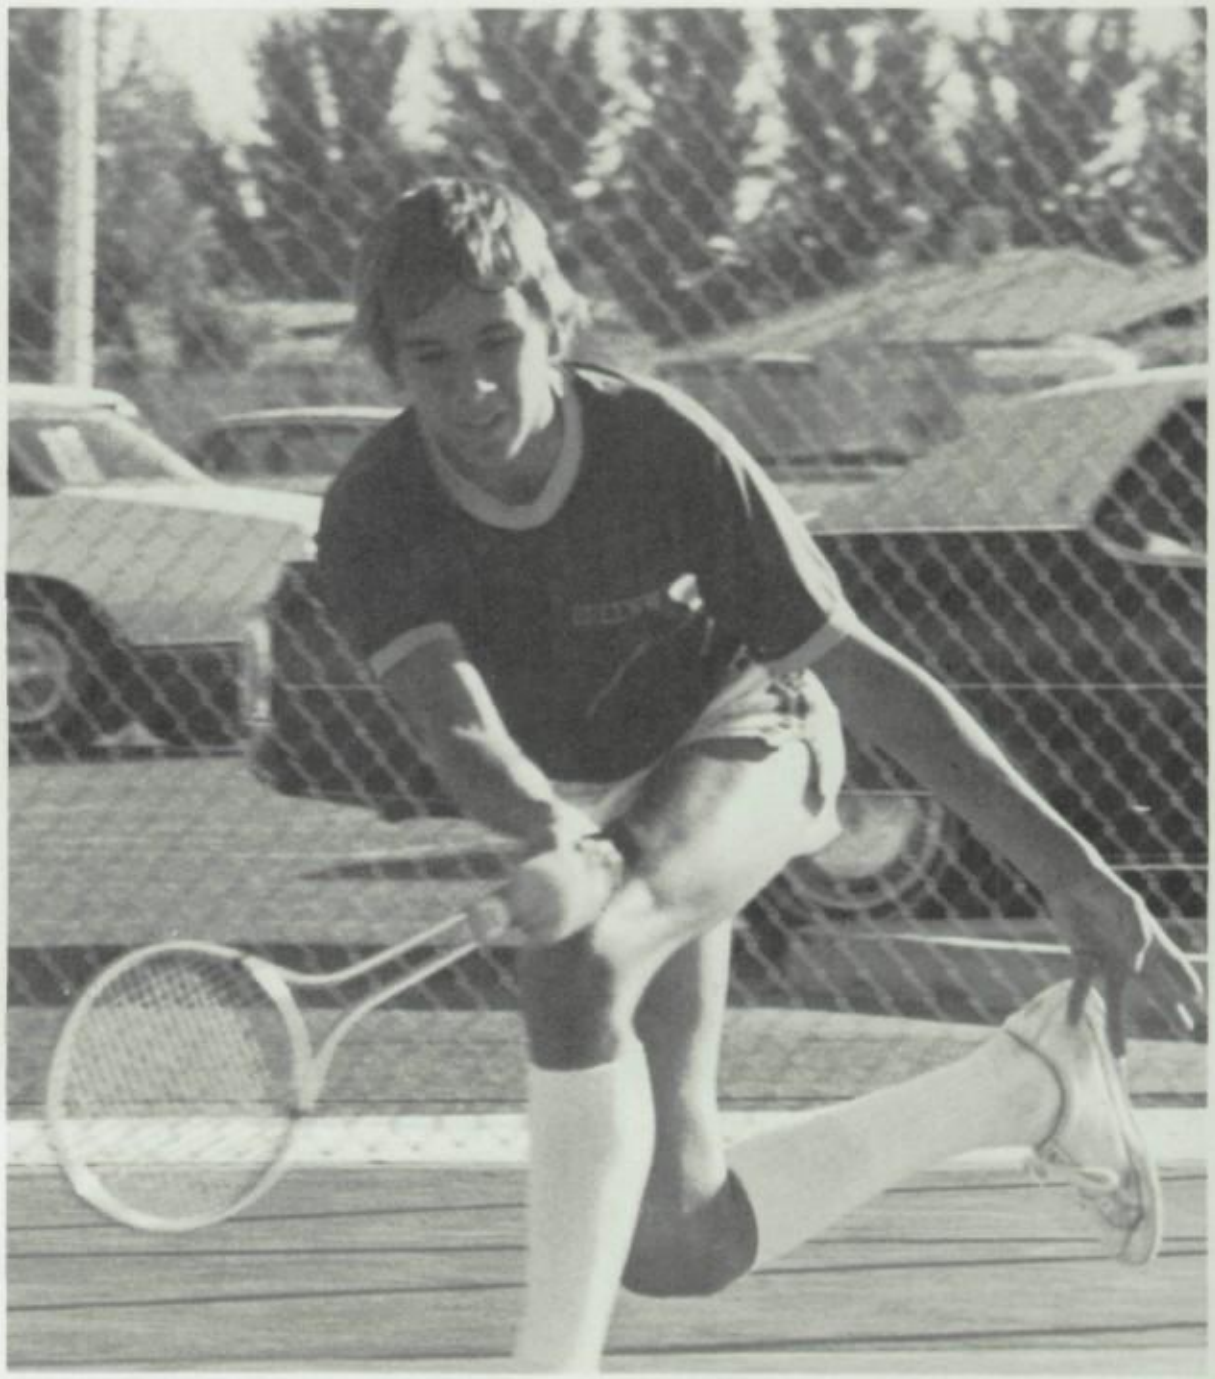
# Freshman Endeavor To win

Both the girl's and boy's seasons ended with good records. The girls team, coached by Miss Brown, had no one star player. Instead, commented Coach Brown, "the whole team was really very strong." For the boys team Coach Collins mentioned that, "there were many good players with Linc Smelser being the top one of the fourteen."



John Sutorka plays his court to the fullest going way back to return a serve.

# Supplement highlights '79 book

Despite several problems, the 1978-79 **DEMONIAN** staff produced a yearbook with something new, a Spring Supplement. This latest innovation was made possible through the efforts of the staff, photographers, Ron Belliveau, photography advisor, and Susan Burnett, yearbook advisor.

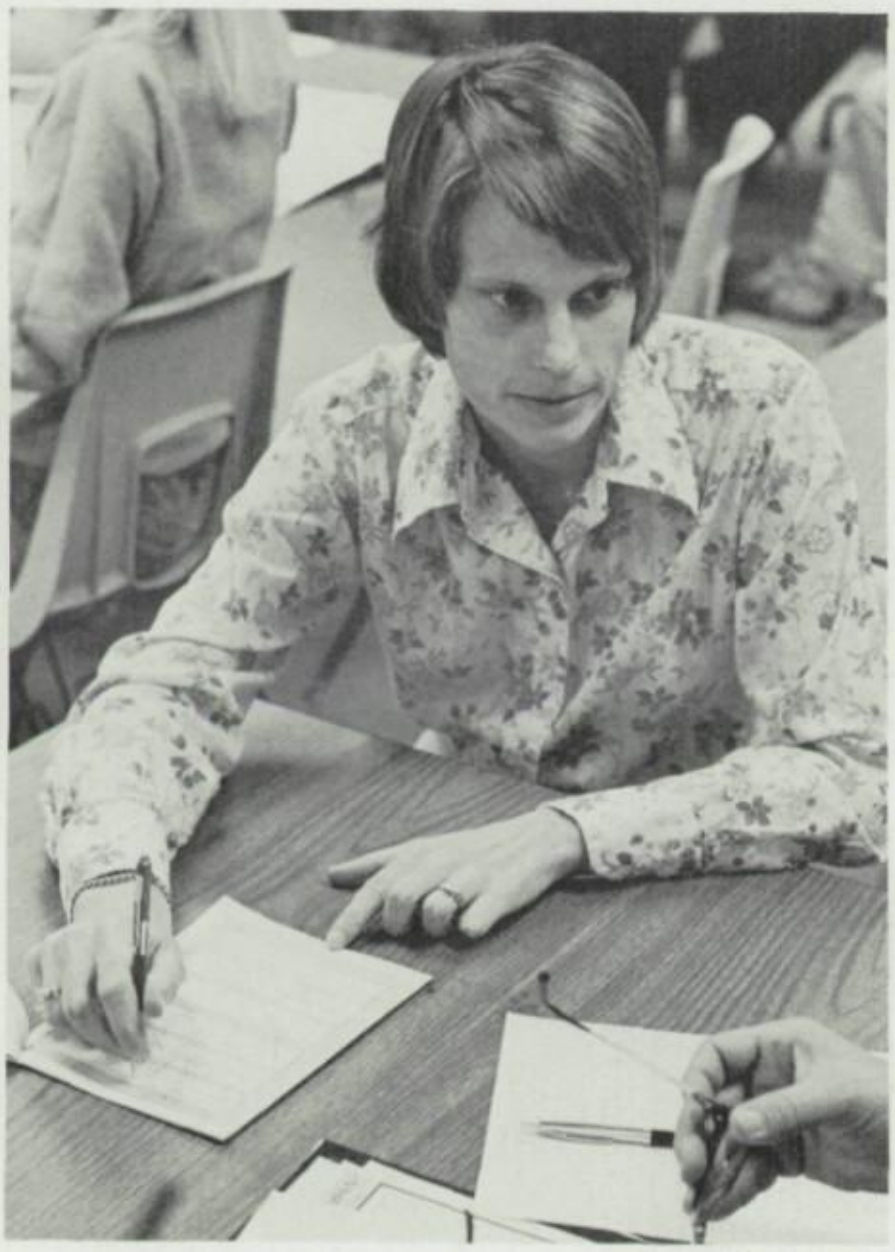
The supplement will contain all spring sports activities as well as the Jr.-Sr. Prom and Graduation of the Class of '79. This publication will be distributed in September, 1979.

Ron Belliveau shot and printed all the color pictures for the yearbook. His time and efforts not only directly helped the yearbook, but it also spurred the staff photographers to the enormous task of shooting, processing, proofing and printing all the pictures seen in the book.

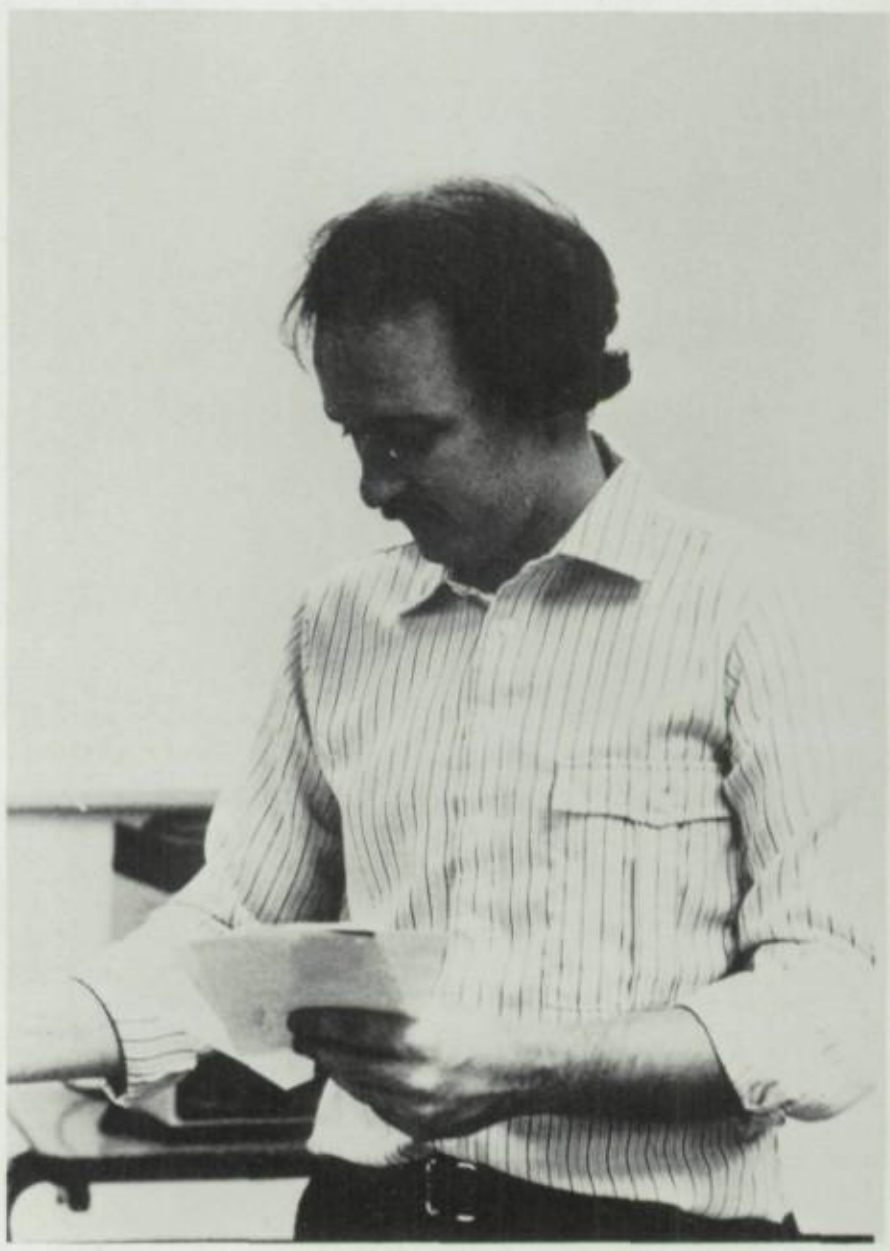
Susan Burnett was absent the first seven weeks of school since she had given birth to Jimmy, a 10-pound baby boy. When she returned, the staff pushed hard to make their first deadline.

Then illness hit the staff. Mrs. Burnett was forced to leave school once again, a week before a deadline. It might have been disasterous, but the staff pulled through and finished the book.

The staff, working as a team under the direction of their advisors, editor, Tim Cottam, and assistant editor, Debbie Brooks, combined learning and hard work to put together the 1978-79 **DEMONIAN.**



Susan Burnett, advisor, talks with the company representative about the introduction to the book.



Ron Beliveau, photography advisor, sorts through photographs bound for the yearbook staff.

## Why Does Gas Smell?

Properly used, natural gas is safe; it's clean, and odorless in its natural state. However, it contains a smelly additive that warns you when something is wrong. A faint odor warns you to check equipment. Are pilot lights burning? Are kitchen range burners turned off? If odor is strong, don't ignite a flame or operate light switches. Open windows and doors. Evacuate the building. Shut off main gas valve outside if you know its location and can do it easily. Call your gas company immediately.

# Parent Action Club aids school

The Parent Action Club's function was to purchase things not normally available through standard budget channels. The club's main expenditure was a grand piano for the Music Dept. which cost approxamately four thousand dollars. Other ventures include: two scholarships awarded to top students. The money for these came from various fund raisers which include: a yearly dance, selling concessions at an All-State basketball game and a pancake dinner at which Jim Boyd of the Phoenix Roadrunners.

The Parent Action Club also sends students to Boys-State and Girls-State.

The club held meetings once a month for the executive council and two meetings during the year one at open-house and one in the spring.
